The Commander in Chief has again this year the pleasure of expressing his entire approbation of the appearance and Field Discipline of the Madras Fencibles—It is superfluous to remark upon

upon the progress or improvement of the Regiment, as they long since have established the value of their aid and efficiency in common with the regular Battalions of the Service.

Composed as this Corps is of Gentlemen, whose avocations in the Civil Line, it might be expected, would necessarily distract their attention from Military pursuits, Sir John Cradock cannot too loudly extol the exertions of Lieutenant Colonel Taswell and the other Officers, and he attributes the present Character of the Madras Fencibles to that spirit of patriotism, which inspires every loyal breast to join the common cause (unweakened by remote position) of *Europe*, in defence and armament against that Foe, whose insatiate views would doom every Nation, but its slave, to destruction.

G. O. BY THE COMMANDER IN CHIEF.

In consequence of a recent reference to the Commander in Chief, which shews that a mistaken opinion on the nature of Rosters is entertained by many in the Army, His Excellency deems it necessary to explain this point in public Orders.

The Regulations of the Service have directed that, "the tour of duty shall be from the eldest downwards"—and on this principle a Roster for all ordinary duties is necessarily kept;—but this Regulation by no means precludes an Officer Commanding, from exercising his discretion in the *Selection* of an Officer to Command a Detachment, or for any other duty; nor is any Officer who may not, have been selected, altho' first on the Roster of ordinary duty, warranted to question such right of selection by any reference or remonstrance on the subject;—nor can he do so, without failing in that respect which it is incumbent on every Military Man, to shew to the Orders of his Superior Officer, and which the Commander in Chief feels himself bound to enforce.

It is by no means the intention of the Commander in Chief, by forbidding unnecessary and improper references grounded on mistaken Ideas of the *Customs* of Service, to discountenance appeals to Superior authority, in cases of *real* grievance. It is on the contrary His Excellency's desire, that such appeals when stated in proper and respectful terms, may always be forwarded through the Regular Channel of communication, accompanied by such comments and observation as the Superior Officer through whom they are transmitted may deem necessary in explanation of the subject.—Officers making such appeals will do so on their personal responsibility; and the Commander in Chief will ever be equally disposed to redress a real grievance, and to check with severity the unnecessary or ill-founded statements of the litigious or the insubordinate.

The following Extracts from the confirmed proceedings of a Native General Court Martial held at Fort St. George, on the 5th May 1806, and continued by several adjournments till the 9th day of the same month, under authority of His Excellency the Commander in Chief, are published to the Army.

CHARGES.—Jemadar Nabbee Cawn, Native Adjutant 2d Battalion 14th Regiment Native Infantry, placed by me under arrest on complaint of Jemadar Venkatachillum of the same corps, for conduct subversive of good order and Military Discipline, and unbecoming the character of an Officer, in the following instances.

1st.—For being in a shameful state of intoxication, and thereby disgracing his character as an officer.

2d—For making use of very insulting and improper Language to Jemadar Venkatachillum in the presence of several Officers, and others of the Corps, and in the public streets of the Cantonment.

3d.—For making use of gross and disrespectful language against the Commanding Officer, and the Officers of the Corps when Jemadar Venkatachillum threatened to complain of his improper conduct.

4th.—For exposing himself when in a state of intoxication in the public Bazar, and before several Inhabitants of the village, and thereby degrading his character as an Officer.

5th.—For refusing to obey the Orders I sent him thro' the Native Officer of the day to attend at my Quarters, and for opposing him (the Native Officer of the day) in the

the execution of his duty, when I directed the Native Officer of the day to place Jemadar Nabbee Cawn under arrest.

(Signed) THOMAS SMYTH, *Lieutenant*
(Signed) P. A. AGNEW, *2d Battalion 14th Regiment*
Adjutant General of the Army. *Native Infantry and Officer of the day.*

SENTENCE.—The Court having maturely considered the Prosecution, and the prisoner's defence, with the Evidence produced in support of each, is of opinion, that the Prisoner Jemadar Nabbee Cawn is Guilty of the first charge—"being in a shameful state of intoxication and thereby disgracing his character as an Officer."

The Court is of opinion that the Prisoner Jemadar Nabbee Cawn is Guilty of the second charge—"making "use of very insulting and improper Language to Jemadar Venkatachillum, in the presence of several Officers "and others of the Corps, and in the public streets of the "Cantonment."

The Court is of opinion that the prisoner Jemadar Nabbee Cawn is Guilty of the third Charge,—"making use of "gross and disrespectful language against the Commanding "Officer and Officers of the Corps when Jemadar Venkatachillum threatened to complain of his improper conduct."

The Court is of opinion, that the Prisoner Jemadar Nabbee Cawn, is Guilty of the fourth Charge,—"exposing himself when in a state of intoxication in the public "Bazar, and before several inhabitants of the village, "and thereby degrading his character as an Officer."

But the Court acquit the Prisoner of the fifth Charge, "refusing to obey the orders I sent him thro' the Native "Officer of the day to attend at my Quarters, and for opposing him (the Native Officer of the day) in the execution of his duty, when I directed the Native Officer "of the day to place Jemadar Nabbee Cawn under an "arrest:" it appearing to the Court, that the Prisoner was at the time in so sound a sleep produced by intoxication, as not to hear the orders which the Native Officer of the day endeavoured to communicate to him. But the Court having found the Prisoner Guilty of the first, second, third, and fourth Charges, and the same being in Breach of the Articles of War, *it doth therefore* sentence him the

LETTER Dated 3d July 1805.

Para. 6th—"The following Officers have our permission to "return to their Rank on your Establishment, viz.

8th—" Captain Joseph Dillon, of your Establishment, died,
" the 18th April 1805."

9th—" We have appointed the Reverend William Thomas,
" a Chaplain on your Establishment."

11th—" We have taken into our consideration the case of
" Mrs. Maxwell, Widow of Lieutenant Colonel Maxwell, of
" His Majesty's 19th Regiment of Dragoons who fell glori-
" ously at the head of the Cavalry in the Battle of Assaye,
" leaving a young and deserving Woman destitute of any
" provision."

12th—" In considering this case, altho' we find that there
" is no example of the Company's making any allowance to
" the Widow of a King's Officer on account of his having
" served, or fallen in India, and tho' at the same time we are
" aware the establishing a precedent may seem to have the
" dangerous tendency of opening a door to claims from the
" surviving relatives of King's Officers which if yielded to,
" would in time render the load of Military expence already
" so enormous, still more intolerable, yet we consider the case
" of Lieutenant Colonel Maxwell, to be altogether a very
" singular and extraordinary one—In circumstances the most
" critical and hazardous, when after prodigies of British valour,
" and the fall of the flower of the British Army, the battle of
" Assaye was nearly carried by the vastly superior numbers of
" the enemy; Lieutenant Colonel Maxwell, by charging with
" the Cavalry in the most heroic style, turned the fortune of
" the day, by which the fate of the war, and perhaps of British
" India, was in a great measure determined—In the moment
" of this brilliant and happy atchievement Colonel Maxwell
" lost his life, and an enterprize productive of singular glory
" and advantage to his Country, reduced his wife to a state of
" absolute want."

13th—" Under all these circumstances, we have unanimously
" resolved to settle an annuity of £. 300, on the relict of
" Lieutenant Colonel Maxwell during her widowhood, and
" as a mark of the high sense we entertain of the important
" service rendered to the Company and the Nation, by that
" gallant Officer."

14th

14th—" We have likewise had under consideration the case
" of the Widow and Family of the late Major General Fraser,
" who received a mortal wound on the 13th November last,
" while in the command of the British forces at the Battle of
" *Deeg*, and being informed that the pecuniary circumstances
" of Mrs. Fraser, and Family are very confined, and being of
" opinion that to appreciate and to reward meritorious services
" as far as may be prudent, and consistent with the circumstan-
" ces of the Company, are equally consistent with justice and
" policy, we have on considering the important services ren-
" dered to the East India Company, by the skill, gallantry
" and intrepidity of General Fraser, displayed at the memo-
" rable battle of *Deeg*, and of whom an high and honorable
" panegyric is likewise recorded by General Lord Lake
" resolved to grant a pension of £. 200 per annum to Mrs.
" Fraser during her Widowhood, and £. 40 per annum to
" each of her five younger Sons, until they shall respectively
" attain the age of eighteen years."

" the Royal Military College at *Marlow* for the Company's
" service, and having been reported to us by the proper Officer
" there, as qualified for a Commission, he proceeds to his duty
" this season as a Cadet for the Cavalry on your establishment,
" and agreeably to our Regulations respecting Cadets educat-
" ed at the above mentioned College (Copies of which
" Regulations were transmitted you by His Majesty's ship

G. O. By Government.

The Right Honorable the Governor in Council has been pleased to republish the following General Order for the information of the Army.

G. O. By Government, 27th September 1800.

1st—The Right Honorable the Governor in Council is pleased to establish as a Regulation of the Service, that Officers having leave to go to the *Cape of Good Hope*, and eventually to *Europe*, for the recovery of their health, shall be entitled to draw their Regimental Pay and Allowances until the date either of their departure from the *Cape* to proceed to *Europe*, or until they rejoin their Corps from that Settlement; but that in order to guard against applications being made by Officers to go to the Cape, and eventually to *Europe*, with a view of retaining their Allowances, it be made an express condition, that such Officers shall actually reside at the Cape for a period of six months, and that their residence there for that period, shall be certified by a public Officer of the place, to entitle them to those Allowances, otherwise they will not be considered to have a claim to any thing whatever beyond their Pay on Furlough. Should it not be their intention to proceed to Europe after the expiration of that period, and that the state of their health will not admit of their immediately returning to Madras, they are by the first convenient opportunity to apply for an extension of their leave of absence, and at the same time, to transmit to the Adjutant General of the Army, to be laid before Government, a Certificate signed by one or more Surgeons, resident at the Cape, that the state of their health was such as to render it unsafe for them at that time to leave the Settlement.

2d.—It is further ordered, that Officers applying for leave to proceed to the Cape of Good Hope, whether in the expectation of returning to this Country, and not prosecuting a voyage to England, or otherwise, be required to furnish the same Certificate, or in lieu thereof the same security regarding claims in the Pay Department, that are required by General Orders from Officers going from this Coast to England, under a direct or conditional leave for that purpose.

3d.—The Right Honorable the Governor in Council is likewise pleased to direct, that Military Officers, Surgeons, and Assistant Surgeons, who shall obtain the permission of Government to go to the Cape of Good Hope only, for the recovery of their health, under the prescribed Certificate of sickness,

shall

ſhall be permitted to proceed to that Settlement either direct or by the way of St. Helena, without forfeiting the allowances to which they would have been entitled, if they had proceeded to the Cape direct.

4th.—And with a view to accommodate Officers at Sea, the Cape of Good Hope, or at either of the other Preſidencies, for the recovery of their health, and who may be deſirous of having their allowances paid in Madras during their abſence—His Lordſhip directs that they be not included in the Abſtracts of their reſpective Companies, but that ſuch Officers ſhall furniſh the Military Auditor General with Certificates of the pay and allowances they laſt received, and that he be authorized to paſs them on ſeparate bills, drawn either by the Officers themſelves, or their Attornies, to the periods at which it ſhall be duly certified they were alive, provided it does not exceed the limits of their leave of abſence.

The Right Honorable the Governor in Council is pleased to publish for the information of the Army the following extracts of a General Letter from the Honorable Court of Directors dated 5th June 1805.

"We have taken into consideration the state of the Establish-" ment of Chaplains under your Presidency, and being of " opinion that from the increased acquisitions of Territory by " Cessions and conquest of late years, it is not sufficient for the " due performance of religious duties, which we must always " be anxious to provide for in all the Settlements subject to

" the

"the British Administration in India, We have resolved that "the same shall be augmented."

"By our orders of the 22d April 1796, the number of "Chaplains was fixed as follows."

At Military Stations.	4

"We have now resolved that the Establishment shall consist "of Nine Chaplains viz. Two for the Presidency and Seven "for Military Stations, including Malabar, these may be "distributed as follows.

At Masulipatam,	1
Vellore	1
Trichinopoly	1

"If you shall be of opinion that a more convenient disposition of Chaplains at Military Stations than the foregoing "can be made, We authorize you to act accordingly."

"Having also revised our orders above mentioned relative "to the Allowances to the Chaplains, We have thought proper "to make an addition thereto; the Salaries to the Chaplains "are therefore in future to be as follows."

"To the Senior Chaplain at the Presidency, instead of Pagodas 2,500, Pagodas 3,500 per Annum."

"To the Junior Chaplain and Chaplain to the Garrison "instead of Pagodas 2,125, Pagodas 3,000."

"The Allowance hitherto drawn by the Junior Chaplain as "Superintending the Undertaker's employ we consider as improper, and direct it be discontinued as an appendage to the "Chaplain's Income."

"To each of the Chaplains at Military Stations, instead of "Pagodas 1,750, Pagodas 2,250 per Annum."

"The above to be in full of all Emoluments whatever from "the Company and to take place from the receipt of these our "orders."

"We have resolved that in future, a gradation of Rank
"shall take place in the Clerical Establishments at our several
"Presidencies, and that this shall be regulated by Seniority of
"Appointment from the lowest to the highest Stations of Emolument, unless there shall be some reasonable objection thereto."

His Lordship in Council is pleased to direct that the Reverend Mr. Clarke of the *Bombay* Establishment, now Officiating as Chaplain in the Province of *Malabar*, shall return to his duty at that Presidency by the earliest opportunity.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council has great satisfaction in publishing to the Army of this Presidency, the following Extract of a letter addressed by the late Acting Resident with Dowlut Rao Scindia, to the Secretary of the Government at *Fort William*, containing an honorable testimony of the Meritorious conduct of the Officers and Men composing the Escort of the Acting Resident, under Circumstances of extreme difficulty and embarrassment.

" *Extract from a letter to Mr. Secretary Edmonstone, under date the 19th October* 1805."

"On the present Occasion it is a Solemn obligation of my " public duty, independently of the Sentiments of affection, " gratitude, and admiration, which are impressed on my heart " towards those, whose personal attachment and fidelity have " so uniformly supported me throughout a long period of difficul- " ty and danger, to record my deep sense of the Eminent " merits of the Gentlemen of my family, and of the very de- " serving conduct of the Native troops and servants of the " Residency collectively and individually manifested during " the late unfortunate events."

" From Lieutenant Stewart who Commands my Escort, I " have received on every Occasion the most zealous and use- " ful Assistance—That Officer has been present at almost every " conference which I have held with Dowlut Rao Scindia or " his Ministers, since my accession to the Residency; and his " extensive acquaintance with the Persian and Hindostanee lan- " guages, and with the general nature of our relations with the " native Courts of India, having led me to employ him as an " Assistant, I have derived very considerable advantage from " his zeal and information of the performance of the duties " of that Station. I attribute eminently to the activity and " prudence of Lieutenant Stewart aided by Lieutenant Green, " the other Officer attached to the Resident's escort, the me- " ritorious conduct of the Native Troops on this very arduous " and disagreeable Service. I have already had the honor

" to

" to represent for the favourable notice of Government the
" active exertions of these Officers respectively during the
" two attacks upon the British Camp by the Pendarries as
" well as the meritorious services of the Native Commissioned
" and Non-Commissioned Officers and Men composing the
" Resident's escort on those occasions; and I trust that the ser-
" vices of Lieutenants Stewart and Green (the latter of whom
" was severely wounded at *Sagur*) and the exemplary fidelity
" and fortitude which have so uniformly been displayed by
" the Troops under their command throughout a most trying
" situation since those occurrences, will be considered to enti-
" tle them to the particular favor and approbation of Govern-
" ment."

" To Mr. Wise, Surgeon to the Residency, I cannot suffici-
" ently express my gratitude. The active humanity which
" that Gentleman has ever displayed in the duties of his pro-
" fessional Character, under a combination of difficulties to
" embarrass and impede their succesful exertion, was particularly
" conspicuous after the last attack upon the British Camp, and
" the chearful assiduity with which, although under the pain
" of a severe wound, that Gentleman continued to afford his
" assistance on so distressing an occasion, has entitled him to
" my warmest acknowledgements, I take the liberty of recom-
" mending Mr. Wise to the favourable notice of the Honora-
" ble the Governor General in Council."

" In expressing my sense of the merits of the Natives who
" are still attached to the Residency, and who have universal-
" ly manifested an attachment and fidelity, which no events
" could impair, I am particularly solicitous to call the attenti-
" on of Government to the services of Ramuppa Bramin, my
" chief Native Servant; Ramuppa, both previously and subse-
" quently to the death of Mr. Webbe, has acted in the Capacity
" of Marhatta Moonshee and has been employed by me in all
" intercourse with the Durbar which did not require my im-
" mediate attendance, he resigned a situation of considerable
" trust and emolument to accompany Mr. Webbe on this ser-
" vice, he is Brother to Kistnapa who accompanied Colonel
" Malcolm on his late mission to the Court of Scindia, and
" whose merits have been rewarded by the grant from the Su-
" preme Government, of a Jaghire in the Ceded provinces
" under the Presidency of *Fort St. George*. I trust that the
" Honorable the Governor General in Council will deem it

" proper

" proper to recompence the particular zeal and attachment of
" Ramuppa, by some solid mark of approbation."

(A true Extract)

(Signed) R. JENKINS,

Late Acting Resident.

In addition to the foregoing communication, His Lordship in Council is pleased to publish the following extract of a letter from Mr. Jenkins to this Government.

" In that Extract His Lordship in Council will perceive " that I have stated in general terms my sense of the merito- " rious conduct of the Troops composing the Resident's Escort " —Their steady conduct during the two attacks on the Bri- " tish Camp, and the Extraordinary fidelity and fortitude " which they uniformly manifested during a long course of " hardship, and under the most trying circumstances, subse- " quent to those attacks, cannot be sufficiently applauded."

" I observe that the Right Honorable the Governor in Coun- " cil has been pleased to grant to the families of those Native " Officers and men of His Lordship's Body Guard, attached " to the Residency, who fell in the attack on the British Camp " on the 25th January 1805, the same indulgence, which is " enjoyed by the families of those, who were killed during " the Mahratta War.—That indulgence was in my opinion, " justly due to the brave conduct of the individuals who fell, " and I beg leave to express my approbation of the very ex- " cellent behaviour of the party on that, as well as on every " other occasion, but particularly under the hardships which " were sustained subsequently to the plunder of the British " Camp, and which the loss of their Horses rendered to them " peculiarly severe."

" I should not however be doing Justice to the Native " Commissioned and Non-Commissioned Officers and Men of " the two Companies of the Madras Native Infantry, attached " to my escort, did I not bear an equal Testimony to their " readiness and discipline. The Merits of Lieutenants Stewart " and Green, I have fully represented to this Government; " and I cannot express in terms of too high applause, my ad- miration

" miration of the fortitude and attachment displayed by the " two Companies under their Command, throughout this very " arduous and trying service."

" With this impression, I take the liberty of recommending " to the Right Honorable the Governor in Council to extend " in favour of the Families of those Native Officers and Men " of the Native Infantry, who fell, or who have been disabled " in the attacks of the Pendarries, and on other occasions con- " nected with the late service; an indulgence similar to that " which has already been granted to the party of Cavalry " attached to the escort—Among the severe losses sustained by " the Infantry, I particularly regret the death of Kreperam, " Soobahdar of the 5th Company 2d Battalion 11th Regiment " Native Infantry, who was killed during an attack made " upon the British Residency, on the March from Scindia's " Camp, in the Month of September 1805; the long and " faithful Services of this Officer are of course, duly appretiated, " and I trust that the claims of his Family, likewise will be " admitted by the Right Honorable the Governor in Council.

His Lordship in Council has much gratification in expressing his entire concurrence, in the sentiments stated by the late Acting Resident in the above Extract, and His Lordship has accordingly resolved to make the same provision for the Native Officers and Men of the Native Infantry attached to the Escort of the Acting Resident, who may have been disabled, as well as for the Families of those who may have been killed on that Service, as has been granted to the Troops who have been disabled, or to the Families of those who were killed during the Mahratta War.—The Commander in Chief is accordingly requested to direct the necessary returns to be prepared of the persons who may be entitled to the stated provision.

By order of the Right Honorable the Governor in Council.

His

His Excellency is pleased to find that the opinion of the Court exculpates you from the heavy charge of a wanton or malicious aspersion of the Character of a Woman, as such an imputation revolts equally against Man in the situation of an Officer or a Gentleman.

But after allowing due force to every extenuation that you plead for yourselves as the motives of the conduct now arraigned, the Commander in Chief cannot but disapprove, in the strongest manner, of the ardor you exhibited in the pursuit, disregarding, as sworn in evidence against Captain Curry, decency of expression, and both losing sight altogether of that amiable and honorable reluctance to admit slander against the Female character, before the painful moment when accusation takes that Shape it cannot be resisted.

The Court proceed to pass Sentence.

The Court having maturely weighed the whole of the prosecution and Evidence, together with the Prisoner's defence, is of opinion that the first charge is not proved—"Causing to be wrote a Letter addressed to Sir "Henry Gwillim with my signature affixed to the same, "and delivering it to Letchmah, a Native Woman, as "written by me, for which he stated to her, I had agreed "to receive (100) One hundred Rupees, he at the same "time knowing the Letter and Signature to be a forgery."

But the Court finds the Prisoner guilty of the Second Charge "Scandalous and unofficerlike Conduct, in having "received the abovementioned sum from Letchmah a "Native Woman under false pretences" and the same being in breach of the Articles of War, The Court doth therefore Sentence him, the Prisoner Subadar Narrynah to be dismissed the Honorable Company's Service.

CHARGES against Subadar Sied Dowd of the 2d Battalion 4th Regiment Native Infantry.

Unofficerlike,

Unofficerlike, Irregular and Disrespectful conduct, the latter pointedly towards me on the 9th Instant in the following instances.

1st.—Unofficerlike conduct prejudicial to Military Subordination in upbraiding and checking Cote Havaldar, Shaik Muctoom, of the Light Company, when in execution of a duty, for which he is held responsible thereby tending to invert the spirit of a Battalion Order.

2d.—Irregular Conduct in taking upon himself to order to be confined in the Quarter Guard, Cote Havaldar Shaik Muctoom, of the Light Company on a supposed Crime previously to reporting to me or in my absence to the Adjutant the degree of delinquency which he thought attached to the said Havaldar.

3d.—Pointed disrespectful conduct towards me his immediate, as well as at that time, Battalion Commanding Officer—In spurning at, showing and expressing an entire disregard to my Orders Communicated to him by a Havaldar of the Light Company in presence of several Non Commissioned and Privates of the Company, and in defiance thereof acting directly contrary to them.

4th.—For telling a palpable Falsehood to me when called upon for an explanation of his conduct in the 2d instance of Charge.

Camp near Chittoor, (Signed) T. WEBSTER,

2d Battalion 4th Regiment N. I.

By order of the Commander in Chief.

(Signed) P. A. AGNEW,
Adjutant General of the Army.

The Court proceed to pass Sentence.

The Court having most attentively and deliberately considered the Prosecution, and the Evidence adduced in support thereof, together with the Prisoner's defence; is of opinion that the Prisoner Subadar Sied Dowd, is not guilty of the first Charge "Un-Officerlike Conduct, prejudicial to Military Subordination, in upbraiding, and "checking Cote Havaldar Shaik Muctoom of the Light "Company when in the execution of a Duty, for which he

"he is held responsible; thereby tending to invert the "spirit of a Battalion Order"—It appearing to the Court that the expressions stated in the Evidence to have been used by the Prisoner were excited by the reproachful observations of Havaldar Shaik Muctoom on the Subadar and Jemadar of his Company; and in consequence of his assuming to himself much more, than was consistent with his duty as Cote Havaldar.

The Court therefore acquits the Prisoner Subadar Sied Dowd of the first Charge,

The Court in considering the second Charge, is of opinion that the Prisoner Subadar Sied Dowd,—*did* "order to "be confined in the Quarter Guard, Cote Havaldar Shaik "Muctoom of the Light Company, on a supposed Crime, "*previously* to reporting to the Captain of his Company, "or in his absence to the Adjutant, the degree of delinquency which he thought attached to the said Havaldar" But it appearing to the Court that the Prisoner, made the requisite Report to the Adjutant, immediately after the confinement of the said Havaldar, the Court is of opinion that no irregularity whatever is imputable to the Prisoner in this particular instance.

But the Court is of opinion that the Prisoner Subadar Sied Dowd is guilty of the third Charge "pointed disrespectful conduct towards me his immediate as well as at that time, Battalion Commanding Officer—In spurning at, shewing and expressing, an entire disregard to my orders, communicated to him by a Havaldar of the Light Company in presence of several Non-Commissioned and Privates of the Company—and in defiance thereof, acting directly contrary to them.

With respect to the fourth charge, the Court is of opinion that the same is not proved, and it doth therefore acquit the prisoner of the fourth charge.

But the Court having found the prisoner Subadar Sied Dowd guilty of the third charge and the same being subversive of good order and Military Discipline and breach of the Articles of War, it doth sentence him the said prisoner Subadar Sied Dowd to be suspended from all Rank,

pay and allowances for the space of two Calendar Months from the date hereof.

Captain Lieutenant M. H. West of the 8th Regiment Native Cavalry—ordered in arrest by me this day on the following Charges.

CHARGE 1st.—For Conduct unbecoming the Character of an Officer and a Gentleman and highly subversive of good order, and Military Discipline, in having propagated, and publicly asserted, the most Scandalous, and Infamous falsehoods—highly injurious to my Character, and tending to prejudice the minds of the Officers of the Regiment, as well as those of the station, against me, his immediate Commanding Officer—in the following Instances.—That I had, on or about the 6th May last, given my word of honor to Lieutenant Colonel Martin that, provided he Captain Lieutenant West, signed the Apology, which had been drawn up by Lieutenant Colonel Martin, and approved of by me, I would withdraw the Charges I had preferred against him, to Major General Campbell, and immediately afterwards give him a private meeting or, in other words fight a duel with him; and that it was in consequence of this assurance, communicated to him

him by Lieutenant Colonel Martin that he was induced to sign the Apology.

2d.—For Conduct as stated in the 1st Charge, in having publicly asserted that Lieutenant Colonel Martin had called upon me, the Morning after, or some other Morning shortly after, he, Captain Lieutenant West had been released from arrest and delivered to me a verbal Challenge from him, Captain Lieutenant West, but that I had positively refused to give him the Meeting I had pledged my word of honor only the day before, or a few days before, to do, and that he Captain Lieutenant West, was therefore determined to make my Conduct as public as he possibly could.

CONFIRMED.

NUNDYDROOG. JUNE 30, 1806.

(Signed) J. F. CRADOCK, *Lieutenant General.*

REPRIMAND

To be read by Major General Campbell, to Captain Lieutenant West.

SIR,

In consequence of the Sentence of the General Court Martial held upon your conduct, I am directed by His Excellency the Commander in Chief, to reprimand you—His Excellency desires me to express to this Court, that from the Proceedings

Proceeding submitted to him, and the proofs upon record of the validity of the Charge, he expected to have read your dismissal from the service, which Sentence, if the Court had awarded it, he would not have hesitated to approve and confirm.

It had fully appeared to His Excellency's conviction, on a former and very recent occasion, that your conduct in the Regiment, was not only insubordinate, but highly contumacious, and His Excellency directed that the General Officer Commanding the District, should severely reprimand, and admonish you;—But it seems to have had no effect, and proves only a waste of forbearance.—His Excellency has not discovered in the prosecution, any oppressive conduct or improper motive, but, on the contrary Captain O'Donnell appears to have equally supported Military discipline, and private character.

His Excellency further desires me to tell you, "Captain "Lieutenant West" that unless he shall be persuaded, from the testimony of your Superior Officers, that a solid amendment of your conduct has taken place at the period of expected promotion, he will not recommend you, and put an end to the supposed pretension, in the Service of the Honorable Company, that Seniority is to have resistless weight, and stand in the place of required merit, and respect.

His Excellency has further commissioned me to advert to the Evidence of Lieutenant Colonel Martin, and Captain Barclay—"That" of both was reluctant, and defective, and more explicit testimony should have been required by the Court—Mystery before a Court Martial cannot be tolerated;—It obscures the judgment and defeats justice;—Captain Barclay assumes the delicate ground of not criminating himself; but "where" this bar arises, it is difficult to understand, and the admission stops the progress of investigation and truth.—Lieutenant Colonel Martin instead of stipulating before the Court for what he would say or what he would not, ought to have sought the fullest disclosure, to vindicate in the most ample manner, that such a "monstrous case" could not exist, as "an engagement to fight a Duel" in order to effect "an Apology" or "if the Apology was made" that oblivion and peace should not be the final result.

(Signed) J. F. CRADOCK,
COMMANDER IN CHIEF.

G. O. By Government.

The Right Honorable the Governor in Council having had under His Lordship's particular consideration the detailed reports which have been submitted relative to the Circumstances attending the late unhappy Insurrection of the Garrison of *Vellore*, His Lordship in Council announces to the Army the deep concern which that distressing event must indelibly fix in His Lordship's mind.

It being the wish of the Governor in Council, to make generally known the Origin and effect of an event so extraordinary in its nature, it is deemed proper to State that early on the morning of the 10th Instant, the greatest part of the Native Troops Stationed in the Fort of *Vellore*, consisting of the 1st Battalion of the 1st (the four Companies at *Chittoor* excepted) and of the 2d Battalion of the 23d Regiments threw off their Allegiance to the British Government and availing themselves of the Advantages of darkness and Surprize, endeavoured with Circumstances of Savage ferocity to effect the destruction of the European Officers and Soldiers of the Garrison. In this attempt they unhappily Succeeded to an extent, which must excite Sentiments of the utmost horror and concern — While however the Mutineers were Successful in Accomplishing the death of the Commanding Officer of the Garrison, and of many other valuable Officers and men; it pleased Providence to permit that their disastrous progress, should be arrested by the efforts of the brave Troops of H. M. 69th Regiment, who were so fortunate as to be enabled to elude and Resist the Murderous intention of the Mutineers, until the Arrival of the Succours which were hastened for their relief.

To the expeditious arrival of that Aid under the Orders of Colonel Gellespie of His Majesty's 19th Dragoons may be imputed the happy escape of the remaining part of the Detachment of His Majesty's 69th Regiment, and of the Surviving Officers, of the Garrison of *Vellore*, from the imminent danger with which they were threatened—Intelligence having reached Colonel Gellespie in a few hours of the Catastrophe at *Vellore*; that Officer with the utmost promptitude, proceeded from

from Arcot with a Detachment of His Majesty's 19th Dragoons and of Native Cavalry (being afterwards followed by a reinforcement of Cavalry,) and having reached *Vellore* at a period of the most Critical difficulty, was enabled in person to effect a junction with the remaining Detachment of European Troops within the Garrison, and to Aid by the most judicious exertions, the operations of the Reinforcement of Troops, which had been brought under his Orders to the Gates of the place—His Lordship in Council will ever reflect with Sentiments of the greatest Satisfaction on the complete Success, with which those united efforts were attended; the combined attack having been in a short time followed by the overthrow of every obstacle, which had been opposed by the Mutineers to the progress of the Troops, by the complete dispersion of the force of the Insurgents, and by the Signal Punishment of the atrocious Crimes which they had perpetrated.

His Lordship in Council in reviewing the events referred to in this Order, considers Colonel Gellespie to be eminently entitled to public gratitude and applause—From the extent of the plans which are ascertained to have been connected with the Insurrection at *Vellore*, the early Suppression of that daring Confederacy, became an object of the utmost political importance, and as its Speedy overthrow may be in a great degree ascribed to the bravery, energy and judgement so signally manifested by Colonel Gellespie on the morning of the 10th Instant, His Lordship in Council will always entertain in regard to the conduct of that Officer, Sentiments, proportionate to the Services which have been rendered to his Country by his meritorious exertions.

His Lordship in Council deems it proper on this Occasion, to make known to the Native Army of this Establishment, that the late Occurrences at *Vellore*, have tended in no shape to diminish the confidence of the Governor in Council in that spirit of Zeal, Fidelity, and Attachment which the Native Troops have so frequently displayed in the Service of the British Government—From the result of the most careful enquiry; there is every cause to believe, that the Insurrection at *Vellore*, was excited by interested persons, and was fostered by the deepest intrigue, in which the Native Army of this Presidency had no part with the exception of the Two Battalions composing the unhappy Garrison.

His

His Lordship in Council therefore desires, that the Native Troops will banish from their minds, all anxiety on Account of any Supposed diminution of Confidence. It will be His Lordship's continued wish, to evince that Sacred regard which has ever been entertained for their Religious principles and Customs, and as the Native Troops cannot be otherwise than Sensible of the benefits and protection which they and their families enjoy in the Service of the British Government, His Lordship in Council is Satisfied that they will be faithful in the execution of their duty, and that they will Continue to merit that praise, which their conduct has frequently and justly obtained, on occasions of trial and Difficulty.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council having received from the Commander in Chief a particular Report, which has been Submitted to His Excellency by Colonel Gellespie of the Services rendered by the Officers of the Detachment, employed in the Suppression of the Insurrection at *Vellore* on the Morning of the 10th Instant, as well as of the Services of the Officers of the Garrison of *Vellore*, who survived that Catastrophe ;His Lordship in Council has deemed it proper to publish an extract from the Report of Colonel Gellespie in General Orders—His Lordship in Council is happy at the same time to avail himself of the Opportunity, to express his Warmest approbation of the meritorious Conduct of those Officers, who distinguished themselves on the trying Occasion, on which they were called to act, and his cordial thanks for the success of their exertions.

Extract of a letter from Colonel Gillespie of His Majesty's 19th Dragoons, Dated 20th July 1806.

" Colonel Gellespie begs leave to State in a Summary man-
" ner, to His Excellency the Commander in Chief, the Senti-
" ments he entertains of the Meritorious Conduct of the Troops
" under his Command, as well as that of the remains of the
" 69th

" 69th Regiment, who composed the Garrison of *Vellore* on
" the 10th Instant.

" To His Majesty's 19th Dragoons, and the whole of the
" Cavalry Stationed at *Arcot*, too much praise cannot be
" given and in particular to the Advanced Squadron under
" Captain Young conducted by Colonel Gellespie in person,
" and Supported by a Strong Troop of the 7th Native
" Cavalry under Lieutenant Woodhouse.

" To those Troops he cannot sufficiently express his thanks
" for the alacrity, promptitude and Gallantry, with which
" they obeyed all his Orders on that perilous Morning in exe-
" cuting the necessary manœuvres they were employed on
" antecedent to the attack on the Fortress.

" To the Officers of the 69th Regiment, who in the early
" part of the Insurrection assembled their men to make head
" against the barbarous Enemy, who were attacking them on
" all sides, too much praise cannot be given, and Colonel
" Gellespie has particularly to regret, that the Gallant exerti-
" ons of Captains Barrow and M'Lachlan, Lieutenants Mitch-
" ell, Cullet, and the other Wounded Officers, were so soon
" lost to the Regiment, from those Officers being unfortunately
" disabled early in the day—The remains of this valuable
" Corps fought Gallantly for several hours without an Officer,
" and the Colonel begs leave to express his admiration at
" their undaunted resolution.

" Colonel Gellespie here recurs with much Satisfaction, to
" the Good conduct of Doctors Jones and Deane, whom he
" himself observed as he approached the Gates, gallantly ex-
" erting themselves with Muskets in their hands.

" He also understands, that early in the Morning Lieute-
" nant Eving of the 1st Battalion 1st Regiment, behaved in a
" manner highly Meritorious in assembling various Straggling
" parties of Europeans, and encouraging them to make a vigo-
" rous defence, till Compelled to quit the fortress by a Supe-
" rior Enemy.

" Colonel Gellespie feels particularly obliged to Lieutenant
" Blakiston of Engineers for the prompt and effectual manner,
" in which he applied the Guns of the 19th Dragoons to the
" Gate, as well as for his unremitting perseverance and exerti-
" ons in almost every capacity during this Arduous Service.

" Colonel

" Colonel Gellespie cannot but consider himself highly " indebted to Captain Skelton of His Majesty's 19th Dra- " goons, for the gallant manner in which he headed the rapid " and effective charge of the Advanced Squadron into the Body " of the place.

" To Lieutenant Colonel Kennedy and the Officers and men " of the 19th Dragoons, to Captains Mason, and Doveton, " with the Officers and men of their Respective Corps, Colo- " nel Gellespie returns his most sincere thanks, for their prompt " and effectual assistance—Colonel Gellespie cannot help menti- " oning in terms of the highest approbation, Serjeant Brady " and the remains of the 69th Regiment who so bravely fol- " lowed him in the Sally from the Ramparts, and drove the " Enemy from their lurking places previous to the charge of " the Cavalry. In a detail of this nature, it would be the height " of injustice in Colonel Gellespie, to overlook the very con- " spicuous merits and unremitting exertions of Lieutenant " Colonel Forbes, to whose judicious conduct, in taking pos- " session of the hill fort, too much praise cannot be given.

" Lastly, Colonel Gellespie, considers it his duty thus " publickly to acknowledge, the obligations he is under to " Captain Wilson of the 19th Dragoons.

" That Officer, who accompanied him as his Aid de Camp " the whole day, acted immediately under his Eye, and was of " great use and Assistance to him, as well from his good under- " standing, as personal bravery.

" Colonel Gellespie assures His Excellency the Commander " in Chief, that the promptitude and valour displayed by all " the Troops on this Occasion, will remain indelibly impressed " upon his memory to the last hour of his existence."

The long established Reputation of His Majesty's 19th Re- giment of Dragoons could leave no doubt in the mind of His Lordship in Council of the utmost exertion of their Zeal and gallantry on any duty where the Services of that Corps might be required, but from the extraordinary energy which was manifested in the Suppression of the daring revolt excited in the fortress of *Vellore*, and from the happy effects which have been produced by the prompt overthrow and punishment of the Insurgents, His Lordship in Council has considered the Troops employed on that Occasion to be particularly entitled to com- mendation and reward, and has accordingly resolved that a gra-

tuity

tuity of one Month's pay ſhall be preſented to ſuch of the Non-Commiſſioned Officers and Privates of the 19th Dragoons as were preſent at *Vellore* as a mark of His Lordſhip's public Approbation.

It has been in every inſtance the earneſt deſire of this Government to diſtinguiſh ſuch of the Native Troops as may have particularly Signalized themſelves in the performance of their duty; and the Right Honorable the Governor in Council conſiders the application of this principle to be forcibly called for in the caſe of the Detachment of Native Cavalry which proceeded to *Vellore* under the command of Colonel Gelleſpie.

In adverting to the circumſtances with which the Inſurrection at *Vellore*, was attended, His Lordſhip in Council conſiders the alacrity and Ardour manifeſted by the Native Cavalry in the re-eſtabliſhment of order, to have been in the higheſt degree meritorious; and His Lordſhip has accordingly reſolved to confer on the Native Officers and Troopers of the Cavalry who ſhared in the honor of that Service, a reward proportioned to their Merit.

His Lordſhip in Council has been pleaſed to reſolve that a Gold Medal, with a Suitable inſcription, ſhall be preſented to each of the Native Commiſſioned Officers and that a Silver Medal ſhall be preſented to each Non-Commiſſioned Officer, and Private Trooper who accompanied the party of troops which proceeded from *Arcot* on the Morning of the 10th Inſtant, and it has been at the ſame time reſolved to make a Similar proviſion for the families of thoſe Officers and Troopers in the event of their death as was conferred by the General Order of the 3d September 1804 on the families of the Native Officers and Soldiers who loſt their lives during the late Mahratta Campaign.

The Commander in Chief is requeſted to give every practicable degree of publicity to the intention which has been ſtated in this Order.

By order of the Right Honorable the Governor in Council.

G. O. BY THE COMMANDER IN CHIEF.

The subjoined Extracts from the confirmed Proceedings of a General Court Martial held in *Fort St. George* on the 14th July 1806, in virtue of authority from the Commander in Chief and of which Major General Fuller is President, are published to the Army:

CHARGE.——Ensign Samuel Bulkeley of His Majesty's 65th Regiment of Foot, placed in Arrest by Lieutenant Nunn of the same Corps, Commanding a Detachment on board the Hon'ble East India Company's Ship *Castlereagh*, and charged by order of the Commander in Chief, on complaint of Captain Kymer, the Commander of that Ship, and Lieutenant Nunn of His Majesty's 65th Regiment.

1st.—With behaving in a Scandalous Infamous manner, such as is unbecoming the Character of an Officer and a Gentleman, and subversive of good order and Military Discipline, in having, on, or about the 19th May last whilst a Passenger on board the Honorable East India Company's Ship *Castlereagh*; then on the voyage to India entered his (Captain Kymer's) Cabin, struck and grossly abused him.

2d.—For having repeatedly broke his Arrest, particularly on the 9th of April—2d—4th—and 7th May 1806.

3d.—For grossly abusing Lieutenant Nunn of His Majesty's 65th Regiment, his immediate Commanding Officer on the 10th of April 1806.

4th.—For striking Serjeant Donovan of His Majesty's 22d Foot, when in the execution of his duty on the 6th May 1806.

By order of the Commander in Chief.

FORT ST. GEORGE, 3D JULY 1806. (Signed) P. A. AGNEW, *Adjutant General of the Army.*

SENTENCE.— The Court having maturely weighed the whole of the Prosecution and the Prisoner's defence, together with the Evidence produced in support of each, are of opinion, that the first Charge is not proved—"Behaving in a Scandalous Infamous manner, such as is unbecoming the Character of an Officer and a Gentleman, and subversive of good order and Military Discipline, in having on, or about the 19th of May last, whilst a passenger on board the Hon'ble East India Company's Ship *Castlereagh*, then on the voyage to India entererd his (Captain Kymer's) Cabin, struck and grossly abused him."

The Court doth therefore acquit the Prisoner of the first Charge.

The Court is of opinion, that the Prisoner is not guilty of the second charge.—"Having repeatedly broke his Arrest, particularly on the 9th of April—2d, 4th and 7th of May 1806," it appearing that the Prisoner did not exceed the privileges generally granted to persons placed in close Arrest, on board of Ship, *that of walking the steerage*, and which Captain Kymer in his evidence, acknowledges to have been the common usage of his Ship, and it not appearing that the Prisoner was ever officially desired to confine himself to his Cabin, nor have the particular periods stated in the charges of the Prisoner's having broken his arrest been established.

The Court consequently acquit the Prisoner of the second Charge.

The Court find the Prisoner guilty of the 3d charge—"Grossly abusing Lieutenant Nunn of His Majesty's "65th Regiment, his immediate Commanding Officer "on the 10th of April 1806."

And the Court acquits the Prisoner of the fourth "Charge—Striking Serjeant Donovan of His Majesty's "22d Regiment of Foot, when in the execution of his "duty on the 6th of May 1806."

The Court having found the Prisoner guilty of the third charge, and the same being in breach of the Articles of War—It doth sentence him to be suspended from all rank, pay and allowances, for the space of six Calendar Months, and to be reprimanded at the discretion of His Excellency the Commander in Chief.—The Court in passing this Sentence, have taken into consideration the severe and unwarrantable treatment the Prisoner met with on board the

Ship

Ship *Castlereagh*—he having been confined in Irons during a period of nearly two Months.

The Court feels it it's duty to remark on, and highly disapprove the very reprehensible Conduct of the Prisoner; he having adduced Circumstances in his defence, tending materially to injure the Characters of Captain Kymer and Lieutenant Nunn, but which he has not established.

The Right Honorable the Governor in Council has derived great ſatisfaction from the information that the Sepoy named Muſtapha Beg, of the 1ſt Battalion 1ſt Native Regiment, who gave the only intimation which was received of the projected Mutiny at *Vellore* previouſly to the occurrence of that unhappy event, has returned in ſafety to that Garriſon.

To His Excellency Lieutenant General Sir J. F. Cradock, *K. B. Commander in Chief, &c. &c. &c.*

Sir,

By desire of your Excellency I have now the honor to address you on the subject of Butchenah, Private Sepoy in the 2d Battalion 11th Regiment who discovered the intrigues in Camp among certain men of the 6th Regiment of Cavalry; and I beg leave to suggest that the reward of a Pension, which has been granted to him, or such part of it as your Excellency thinks proper, may be continued to his Family.

Presuming to suppose, that at the present period Government would be well pleased to have opportunities of rewarding Instances of zeal, fidelity, and good conduct manifested by Individuals amongst our Native Troops, I take the liberty to request your Excellency's favorable consideration of the Merits of Syed Noor, Subadar in the 2d Battalion 11th Regiment, of which the late Colonel Haliburton, when in Command of the Subsidiary Force, was so sensible, that it was his intention, had he lived, to have represented them in the strongest terms to your Excellency.

This Native Officer, in times of the greatest scarcity during the late Campaigns in the Deckan, was constantly detached with the Benjaries in the Collection of Grain for the Army; and on this Service, which required infinite address and was attended with much difficulty and danger, he at all times acquitted himself with zeal and fidelity, procuring supplies of Grain from distant quarters, and escorting these supplies to Camp in safety, thro' a country overrun by the Enemy's Pindaries and freebooters.

These essential services were performed too, at a time when that useful Body of men the Benjaries had been most infamously deprived of their dues, and had nigh lost all confidence in the British Character.

Should your Excellency deem the Services of Subadar Syed Noor worthy of public notice or reward, allow me to request

that

that they may be represented in a favorable light to the Right Honorable the Governor in Council.

I have the honor to be
with the utmost respect
Your Excellency's most obedient
humble Servant,

WALLAJAHBAD,
11th August 1806.

(Signed) ROSS LANG,
Lieut. Col. Commanding.

His Lordship in Council is pleased to direct that on the decease of Butchena, Half of the Pension already granted to him as a reward for his fidelity, shall be continued to his Family, and that on the decease of the Subadar Syed Noor, his Family shall receive a pension equal to the half of the Pay at present enjoyed by that deserving Officer.

By order of the Right Honorable the Governor in Council.

HEAD QUARTERS: CHOULTRY PLAIN, *22d August* 1806.

G. O. BY THE COMMANDER IN CHIEF.

The strong inconvenience the Military Service of this Presidency sustains from the very limited acquirement of the Languages of *India* by the Officers of the Army on this Establishment, has recently been most forcibly impressed on the conviction of the Commander in Chief.—His Excellency at the earliest Stage of his Command had noticed this deficiency in several Instances, and he has uniformly endeavoured to impress on the minds of the Army the absolute necessity of an early and unremitted attention to this Object.—He has made the acquirement of the Hindostannee Language, an indispensable qualification for the appointment of an Adjutant, and by a more recent regulation, the promotion of a Cadet, until he shall be reported to possess such knowledge to a certain extent, has been prohibited.—His Excellency deems it to be his indispensable duty still further to call forth the exertions of the

Officers of the Army to qualifying themselves by the study of Indian Language for the performance of their duty, which, without such knowledge they never can satisfactorily or efficiently perform; and he assures the Army that he will not recommend, nor will the Government approve any Officer for a Staff Situation in future, who does not possess the means of distinct communication with the Native Army.

To facilitate this essential point, His Excellency has been led by an attentive consideration of the Subject, to rescind the Orders which prohibit the attachment of the Boys of the Sepoy recruit Establishment to the European Officers of Corps, as Orderlies; and to permit, as formerly, at the discretion of Commanding Officers, the allotment of such as they may chuse to attach to the several European Officer of the Corps; —care being taken that every Boy of sufficient age, is first instructed in the various points of the drill of a Soldier, and that his knowledge is maintained by attendance at least once in the Week at drill with the squad of Boys.—No Boy is to be permitted to continue with an Officer beyond the Period when he may expect in a few Months to be fit for the Ranks, but on attaining the proper height and strength, he is to be prepared by a regular drill for joining the Battalion.

His Excellency has been induced to adopt this decision from conviction that the advantage gained by the restriction of the Boys to duties "purely Military," has not balanced the injury the service has sustained by the loss of that facility to the acquirement of a common Language, and Knowledge of native Customs, which their former attachment to the junior Officers produced.
